

Face Material

weight

180 ± 10%g/m² ISO 536

thickness

0.13 ± 10%mm ISO 534

material

A coated PET film for use in on-demand inkjet printer.

Applications

This product is an ideal choice for printing badges and tickets in on-demand-color inkjet printers, where full process color is used to add impact and/or functionality to the label.

The high ink holdout and quick drying provide for excellent clarity and density of printed graphics, making it the perfect choice for exhibition, event and seminar etc.
